Slimline LED Channel - 961 Series

The **961 Series** is a Slimline LED Channel compatible with **LED Strips up-to 0.63" (16mm) wide**.

This profile has a **wide range of accessories** to help you find the best fit for your application.
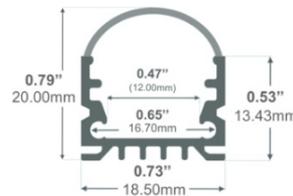

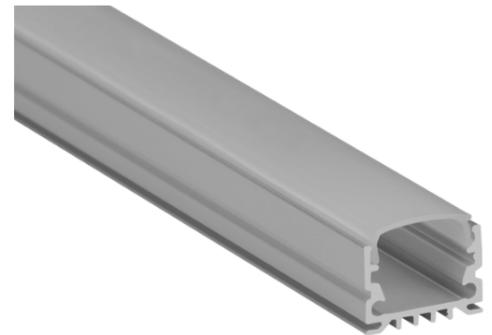

Thanks to its Heatsink design, 961 Series provides **better cooling** and helps to **extend the lifespan of your LED Strip.**

Due to its high side walls, it helps to build **Dot-Less (Hotspot-Free)** LED Fixtures using appropriate LED Strips.

Easy Installation with Mounting Brackets and Snap-In Diffusers.
